

Some info on World Amateur Radio Day – 18 April 2021.
(Likely to be more info on various Amateur organisation web pages).

Bahrain: The Bahrain Amateur Radio Society will operate
A91WARD 14 – 18 April 2021 using SSB, FT8, and DMR modes.

Canada: Radio Amateurs of Canada are sponsoring a “Get on the Air
on World Amateur Radio Day” special event. Details at
<https://www.rac.ca/ward2021/>

United States: The ARRL has created a web page in support of World
Amateur Radio Day: <http://www.arrl.org/world-amateur-radio-day>

VOIP/ECHOLINK *ROC-HAM* Conference node #531091
18 – 19 April 13:00 — 05:00 UTC (9AM EDT-1AM EDT) via
VOIP/ECHOLINK
ROC-HAM Conference node #531091/Allstar #2585. W2JLD,
VO1UKZ, GW8SZL, 2W0KYH, Net Controllers. All stations from
around the world are encouraged to check in. Special event qsl Card
